**Instructions:**

This notice must be posted online using the following guidelines:

**Start Date:** Post the notice not sooner than July 28 and not later than August 3, 2023.

**Website:** Post the notice using a conspicuous link or tab labeled “FCC Applications” on the homepage of station website, the applicant website or the applicant’s parent entity website. The FCC defines ‘conspicuous’ as using “such size, color, contrast, and/or location that it is readily noticeable, readable, and understandable.” If the applicant has more than one such website, use the site with the highest priority. The link or tab will link directly to a page containing only the online notice text stated above. This page must include the date when it was last updated. During times when there are no pending applications requiring online public notice, the link or tab should link to a page indicating that there are no pending applications subject to the posting requirement.

**Duration:** If the notice is posted on a station/applicant-affiliated website or on a publicly accessible website for which the applicant is not required to compensate the website owner in exchange for posting the notice, then the applicant must post the notice for a minimum of 30 consecutive days. If the applicant does not maintain an affiliated website, and the applicant is required to compensate a website owner in exchange for posting on a publicly accessible website, the applicant must post the online notice for a period of not less than 24 consecutive hours, once per week (M-F), for four consecutive weeks.
